Dear Psychotherapy Training Institute,

In the name of The European Association for Psychotherapy (EAP) I am proud and pleased to welcome your institute as an

European Accredited Psychotherapy Training Institute (EAPTI)

and pass on my congratulations. The certificate confirms that your institute has fulfilled all requirements and quality standards of the EAP and is recognized as an EAP certified training institute.

The EAP invites your training institute to take part in the quality control of psychotherapy in Europe with authorization to the following:

- ❖ to call itself an "European Accredited Psychotherapy Training Institute (EAPTI)" and to use this title in all public business dealings;
- ❖ to conclude your candidates' training with the guarantee that they are entitled to be awarded the ECP in accordance with the formal examination carried out by the EAP and its constituent bodies;
- ❖ to appear on the EAP's website as a "European Accredited Psychotherapy Training Institute (EAPTI);
- ❖ to present your institute's programme and activities on the website;
- ❖ as a result of the close cooperation between the EAP and the World Council for Psychotherapy (WCP) you will have the opportunity to broadcast information about your training institute worldwide.

In this way a European quality standard will be created which is not only advantageous for your training institute with regard to European competition but also supports the development of psychotherapy in an international context.

Wishing you prosperous future, I remain,

Hon. Prof. Dr. Alfred Pritz
General Secretary of the EAP
